FAMILY COURT CONFERENCE

MINUTE ENTRY

The Court has read and considered Petitioner/Mother's pro per *Motion for More Time to Serve Other Party* and *Motion to Request Additional Ways to Serve*, both filed on July 12, 2010. Mother requests alternative service because she has attempted to serve Father through a process server on three separate occasions, all without success. In Mother's motion, she states that she provided the process server with Father's photograph and although the process server believed the individual he spoke to was Father, Matthew Vandivier, the individual denied being Matthew Vandivier and refused service.

Based upon the matters presented,

THE COURT FINDS that pursuant to Rule 41, Petitioner/Mother has made a good faith effort to serve Respondent/Father with her pro per *Petition to Enforce Child Support/Medical Expense Reimbursement* filed on May 5, 2010. Mother's attempts have been impracticable.
